In the Fall of 1956 the Arnold school started the hot lunch program.

Two basement rooms of the grade school were remodeled for a kitchen and dining room. These are used for both grade and high school students.

Hot lunches are served to an average of 200 students and teachers each day.

Type a lunches consist of two ounces of protein in the form of meat or other protein food. Milk, bread and butter is served and vitamin C every day and vitamin A three times a week in the form of fruit and vegetables.

Four Classes Will Be Honored May 29

Honored classes for the Alumni Banquet this year will be the classes of 1928, 1938, 1948 and 1958.

Last year was the first year this new system was tried, when the honored classes were '27, '37, '47 and '57. This new system worked very successfully last year and will continue to be used in future years.

The new system is planned in such a way that all classes will be honored within a relatively short period of years.

Under the old system of honoring one or two classes each year, it would take several years to honor all the classes.

Each honored class is urged to try and have a perfect or near perfect attendance at each Alumni Banquet.

It will now be easy to plan ahead for your honored class and make each Alumni Banquet a wonderful and happy reunion of old friends and new.

TRIBUTE

We live in deeds, not years;
In thoughts, not breaths;
In feelings, not in figures on a dial.
We should count time by heartthrobs,
He most lives who thinks most,
Feels the noblest, acts the best.
Life is but a means to an end; that end
To those who dwell in Him,
He most in them,
Beginning, mean and end
To all things, God.

Written Constitution Proposed By The Alumni Association

by Roy E. Blixt
Class of 1934

Prior to the 1957 banquet I was approached by the officers of the Alumni Association and they asked me to draw up a constitution for the Alumni Association.

The Alumni Association has not had a written constitution since it was organized.

I prepared a constitution, but the 1957 officers felt that a matter as important as the adoption of a constitution should have more study and that a copy of the proposed constitution should be printed in the Arnold Alumni News.

It has been my intention as near as possible to draft the constitution according to the customs and usages of the association, and make as few changes in the previous practices as possible.

I have also attempted to write the constitution in rather general terms so that it will not have to be amended at frequent intervals.

The following is a text of the proposed constitution which will be offered for your adoption at the 1958 alumni meeting.

CONSTITUTION OF ARNOLD HIGH SCHOOL ASSOCIATION

We, the alumni of the Arnold High School, in order to promote fellowship, perpetuate memories of our association as students and to build good will, do hereby make this constitution of the Arnold High School Alumni Association.

I. The name of this association shall be the Arnold High School Association and the purpose of the same shall be that set forth in the preamble.

II. All persons who have completed the twelfth grade in the Arnold Public Schools, otherwise known as School District Number Eighty-nine of Custer County, Nebraska or its successors, shall be eligible to membership in this association. The privileges of membership shall be extended to those who are eligible and who have paid such annual dues as required by the Board of Directors hereafter named.

III. The officers of this association shall be a president, a first vice-president, second vice-presi-

dent, secretary and treasurer. These officers shall also constitute the members of the Board of Directors.

Method of Selection

The candidates for each office shall be selected each year by a committee chosen by the president. This committee shall select two candidates for each office and the members of the association shall at the annual banquet cast their ballots designating their choice of officers. The candidate for each office receiving a plurality of the votes cast shall be declared elected. In the event of a tie, the election shall be determined by drawing lots under the supervision of the president of the association.

Duties of Officers

The president shall preside at all meetings of members and shall be the president of the Board of Directors and shall appoint committees to carry out the function of this organization.

The first vice-president shall be in charge of the program at each banquet and the second vice-president shall be in charge of the food-serving at each banquet. The first vice-president shall serve as president in case of absence, death or disability of the president — the first vice-president being the first in line of succession and the second vice-president being second in line of succession.

The secretary shall preserve the records of the organization, preserve and keep the minutes of each meeting of the Board of Directors or of the entire association and shall give notices to the press as the Board of Directors may deem advisable.

The treasurer shall collect the dues and collect all funds due the organization and disperse all funds of the organization in accordance with the constitution and by-laws of the organization. All disbursements shall be made by order of the Board of Directors.

The Board of Directors shall determine the amount of dues that shall be collected each year from each member and shall make rules and regulations governing this organization not in conflict with the constitution of this organization. The Board of Directors shall determine the place and time of meeting of the organization and shall at least once during the calendar year conduct a banquet and

meeting of the members of the association. Such banquet shall be held in the Arnold High School Building, if possible, and in any event within the corporate limits of the Village of Arnold, Nebraska. On the day of the banquet, either preceding or following, there shall be a business meeting held of the association and an appropriate program, shall be given which will be of interest to the members of the organization. The association may at its option sponsor a dance at that time.

The term of office shall be from one annual meeting or banquet to the next annual meeting or banquet, the time of the annual meeting or banquet shall be determined by the Board of Directors. There shall be one banquet per year. All officers of this association shall be members of this association in good standing at the time of their election.

IV OTHER FUNCTIONS OF THE ORGANIZATION

The association shall once each year and not less than three weeks and not more than ten weeks prior to the banquet, publish a newspaper known as the Arnold Alumni News, said newspaper shall contain articles of interest to the members of the association, letters from various members of the association and other material which the Board of Directors may deem proper. This publication shall also be the medium of notifying the members of the association of its affairs and all matters pertaining to the association shall be published in said paper and shall constitute notice to all members of the association. All rules and regulations that have been promulgated prior to this constitution are hereby made rules and regulations of this organization until such rules and regulations are changed by the Board of Directors.

V EXPENDITURES

The Board of Directors may expend what is necessary for the banquet and meeting and may hire an orchestra and contract for the hall for the dance following the banquet and may order printing service for the alumni banquet and pay necessary postage for the distribution of said magazines and not to exceed \$100.00 for other items. No other expenditures of funds shall be made unless such expenditure is first proposed by the Board of Directors and then said proposal published in the Arnold Alumni News and such expenditure approved by a majority vote of those present at the alumni banquet.

VI REGULATIONS

The officers may make and print such rules and regulations not in conflict with this constitution, which shall be effective until repealed by the subsequent Board of Directors. All regulations adopted, repealed or modified by the Board of Directors shall be done in writing and the text of such rule and regulation shall be published in the Arnold Alumni News following immediately after such action.

AMENDMENTS

This constitution may be amended in the following manner: The Board of Directors shall propose the amendment prior to the publication of the Arnold Alumni News and the proposed amendment shall be adopted, if favored by a majority of the members voting by ballot at the alumni banquet. Such voting on the amendment to the constitution shall appear on paper ballot. All published notices of said amendments shall contain both the present text to be amended and the proposed text. This constitution shall be adopted upon a majority vote of the Arnold Alumni Association at the meeting for 1958.

This constitution adopted on _____, 1958 by majority vote of the members.

Enclosed you will find \$1.00 for my dues.

Enjoyed last year's paper very much. Was indeed surprised to find Max Phifer missing as he and his family live next door to us. I passed my paper on to him.

Would you please check your records. Mary Davenport was supposed to have paid in a dollar for me last year. Maybe she forgot, but just in case this pays my dues and I have some to spare.

Please send me the new directory.

Wish I could be with you May 29th, but maybe someday when I'm old and gray, and that isn't very far away.

It's so hard to believe that it has been 15 years since I graduated.

Best Wishes,

Dear Jerry:

Thank you for your very nice letter. It was quite amusing and quite welcome, so I do regret to have to write you this answer for my husband.

Rod would really like to be the toastmaster for the Alumni Banquet, but I'm afraid he just can't make it this year. He is working at the radio station here and this is a bad time of the year to get time off.

You see there is only one other announcer with him during the winter months. About the middle of June there are two college guys that start work at the station for the summer months, so he is able to have a week or so off each year during June, July or August.

I am sorry he can not oblige you and the Alumni Association, but I'm sure you understand.

Thank you so much for considering him tho.

It is really quite an honor. I hope some year he will be asked again and that he will be able to accept.

Rod says he remembers you quite well from the old high school days, Jerry. They must have been very interesting days and I doubt that he shall ever forget them.

Rod has been trying to think of a candidate for your toastmaster, but he hasn't come up with anyone. I do hope you find some one with out too much trouble.

I'd like to thank you again for your thoughtfulness.

By the way, Rod said he's a '46 graduate.

Yours very truly,
Mrs. Rodney Petersen

Dear Cleo:

I received your kind invitation to attend the Arnold Alumni Homecoming, but I regret to say that I can't be there. It would be very nice to meet my old classmates again and renew old acquaintances after 30 years.

1927 - 1957, that is thirty years isn't it?

It doesn't seem that long. Oh well, that I should live so long.

However, even though I won't be there, I am wishing you all a very pleasant and successful affair.

Yours,
Max Phifer

Dear Cleo:

Was glad to get your note, tho would have liked you to have sent along a little news of yourself, etc.

I am hoping to make it back there one of these years for a reunion. Sorry I can't do it this year. But along with the Clarence Suttons (Freida Lewis) we have gone into business which up to now at least has kept our noses rather close to the grindstone.

For the two years previous I traveled on the road along the West Coast. In fact the only ones from the Class of 27 I have seen since leaving there, were Max Phiefer and LaVerne Claudson, both up in the State of Washington.

I also missed seeing Lethia (Iiams) by one day in Kennewick, Washington.

Also, in my travels I saw Amy (Sell) Christenson and family in Montana and the Hershell Pierces in Bend, Oregon.

We see Joe Lester and his family every couple of weeks. Vernon Hays and Francis stopped in last week.

The more of the folks I see from Arnold High, the more I realize that it gave us all a good start.

At least everyone is doing real well and I think if asked they would all give credit to training received there.

So please say hello for me to every one. Again I am sorry I can't be with you.

Orval Sauter

P.S. I have missed Crystal and Pikels everytime I go thru Salinas. Hope to catch them next time.

We hope to be able to get to the banquet this year. I understand we have a new niece down there, so we are going to have to drop down and see that she meets our approval.

President of Alumni Association

Dear Mr. Ahrens:

It was a definite thrill to get your letter asking me to take part in your Arnold High School Alumni Banquet, May 29, 1958.

Mrs. Christy and I attended one several years ago and we truly had a wonderful time. I have checked and rechecked and find that it will be impossible to make it this year. As I have a trip to Chicago, the date or which I can not change, therefore I am forced to decline your invitation.

I would like to send special greetings to all the Arnold High School Alumni and friends who attended the Arnold High during the time I was in your system — from 1930 through '35.

You will recall that things were not so prosperous at that time, but sometimes things that come the hardest are the things that are most appreciated.

All in all, five years in Arnold were very happy ones for us. We remember so many experiences — for instance the snow storm on the way home from the basketball tournament at Kearney in 1931.

Several teams were stranded at a farm house and when morning came we found Archie Nansel behind the kitchen stove. I think he had the only warm bed that night.

No one will remember better than I, the night Arnold won the county championship in 1933 from Callaway at Arnold and in 1934 from Ansley, also the next year the one point defeat at Sergeant in the county tournament.

They tell me that the high spot of the five years was when Roy Blixt ran the mile to earn his letter in track. It is said that I ran one-half mile on the old round track shouting Roy along. I am sure I would cut the circle down if I had it to do now.

There is no doubt that there are many Alumni who are bored by this letter but to several hundred of you, may I say, it was nice knowing you, and there are many happy memories of the years that we lived in your community and we are happy to have lived part of our lives in our fine community.

We hope for your continued success and will look forward to the time when we can visit with you personally.

Yours very truly,
A. E. Christy

P. S. Mrs. Christy reminds me to mention how nice it has been that some of you have stopped to see us. Welcome all.

Dear Cleo:
It was nice to have your note on the Arnold Alumni dinner and homecoming, May 29. It would certainly be fun to be able to be there and see how 30 years have changed people and places.

But — It is not possible for me. As you know, I work full time (counseling parents of pre-school age blind children) and my vacation is not until August.

In addition, this semester I am taking six units of graduate work and am involved deeply in a research study which takes more time than I know how to find in my very busy life.

Erica, age nine, is developing quite a social life which requires a good deal of supervision.

Peter, 21, graduates from the College of Chemistry, University of California at Berkeley, on June 7 and is getting married on June 9. This involves a few details to be taken care of in my spare time.

It would be very nice to get a summary of all the classmates, where they are and what they are doing. Is something of this sort planned?

Please give my regards to all and express my regrets for not being able to attend.

Sincerely,
Vivian Dahl

Thanks a lot for asking me to be your toastmaster. I am really pleased and honored, however, circumstances will not permit my making it this year.

Thank you again for asking me and please say "hello" to all my friends back there.

Dear Old Friends:
Greetings from the State of Washington.

We are all well and happy and busy. Glenn is custodian for the school. He likes his work fine and keeps out of mischief on the side by mowing lawns.

The homes here are beautiful. Lots of shrubs and flowers. This time of year is beautiful. The pears, apricots, peaches and apple orchards are all in bloom. You can drive for miles and (see nothing but orchards.

We have had a beautiful Spring. Glen has the garden up.

I am working as a nurse at the Osteopathic Hospital. I love my work very much as it is very fascinating work.

Lillian is fine and going to school. She is vice president of her class and is a council member for the new high school next year.

We enjoy our oldest daughter and family very much also.

We are sorry we can not make it to the Alumni, but tell every one hello for us. Some day we may be able to come and enjoy seeing all the old friends.

Our son is in Canada, married and is preaching in the Assembly of God Church.

If any of you happen this way don't forget to stop and see us. Our door will be open to welcome anyone.

Lillian and I went to see Hazel and Orval Steel last weekend. Of course there is a boy friend involved too. We went to Spirit Lake. It was nice and warm but the lake was frozen over. There was also three feet of snow and of course we had a snow fight.

This is a beautiful view. Hazel and Orval live where there is more vegetation and huge trees towering 300 to 450 feet high.

Well, time to go to work. Tell everyone hello and wish we could be there. We will be thinking of you all.

Lots of love to a swell bunch of Alumni.

Mr. Jerry Ahrens
Arnold, Nebraska

Dear Jerry:

Your letter arrived a few days ago, and I hope that my procrastination in answering hasn't inconvenienced you or the committee in making plans for the Arnold Alumni Banquet.

It is with regret that I must refuse your kind offer. For the past few years, it has been my honor to be considered for toastmaster, but as the banquet conflicts with the station's vacation schedule, it is almost impossible for me to attend.

In our business, it is mandatory that we work exactly in the appointed day and hour; whereas most individuals can take a few days leave and make up the time later.

Of course, during the vacation period we are working with a short staff, which makes the company more reluctant than ever to allow us extra time off. It is regrettable that television is so demanding, and I sincerely hope that you and members of the Alumni Committee understand.

Jerry, would you please do me a personal favor. Many months ago, the former Lavonne Eastburn wrote me a letter which I fully intended to answer. However, the letter became misplaced as we were moving, and my memory does not serve me well enough to remember her married name. Also, she mentioned that her husband worked for the railroad in North Platte, and I couldn't remember whether she said they were living in North Platte at the time or in Arnold.

I considered the possibility of using the address: "The former Lavonne Eastburn — please forward". This struck me as somewhat ridiculous. Would you please convey my thank you for the letter and best personal regards.

My thanks to you and the members of the committee for honoring me with an invitation. As you may or may not know, the first seventeen years of my life were spent in Arnold, and there will always be a special remembrance for the people and the town.

Best wishes to you and all Arnold Alumni for a successful banquet and progressive year.

Sincerely,
Bill Hare

Dear Cleo:

I regret that I will be unable to attend the Arnold High Alumni Association banquet. And I would love to be there as I would certainly enjoy seeing my old classmates.

I am working for Civil Service at the Long Beach Naval Ship yards and it is a little difficult to get leave of absence from my job the last of the month. I had considered flying back for home coming, but as we had planned to go to the East Coast later this summer, and if we do, I know I shouldn't take leave this month.

Thanks for the invitation anyway, Cleo. I hope I can come in the not too distant future.

It sounds as if you have a wonderful family. I do not have any children. In fact, my husband and I will just be celebrating our 5th wedding anniversary on May 31st. He has two sons who are married and have children.

Where do your sisters live in California and what are their names?

I didn't get to spend any time in Arnold the last time I was in Nebraska but hope to the next time I am there.

Love,
Sylvia
